Most Memorable Game/Competition (You've been a part of) and Why? The most memorable game I've been a part of was my sophomore year, when I played against Kenton Ridge in Baseball. They finished their season that year with over 20 wins. My older brother started that game on the mound, and I came into the game in the 7th inning when we were just up one run. We held that lead and ended up winning 6-5. This moment is memorable because it was one of my first big moments on the mound, and to relieve after my brother was a very cool experience.
