Most Memorable Game/Competition (You've been a part of) and Why? My most memorable game was the Kenton Ridge soccer game my senior year. We were tied 1–1, and I scored both of our goals, including the game-winning goal. Everyone on our team battled until the end, and when the game was over, we ran onto the field, hugging and cheering together. I have built such a strong bond with the girls on my team, and being able to celebrate that moment together made it even more special.
